

Grading

Please use the sliding bars to grade a poster. Your constructive feedback is also welcome in the comments question at the end of the survey.

Thank you!

1) Please indicate the poster section letter:	☐ A ☐ B ☐ C ☐ D															
2) Please indicate the poster number	☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☐ 6 ☐ 7 ☐ 8 ☐ 9 ☐ 10 ☐ 11 ☐ 12 ☐ 13 ☐ 14 ☐ 15															
3) The title clearly described the project and was further intriguing, drawing the reader's attention.	<table border="0"> <tr> <td>Inappropriate title</td> <td></td> <td>Adequate</td> <td></td> <td>Excellent + Intriguing</td> </tr> <tr> <td colspan="5"> </td> </tr> <tr> <td colspan="5">(Place a mark on the scale above)</td> </tr> </table>	Inappropriate title		Adequate		Excellent + Intriguing						(Place a mark on the scale above)				
Inappropriate title		Adequate		Excellent + Intriguing												
(Place a mark on the scale above)																
4) The introduction clearly, succinctly presents the state-of-the-art, with a good transition to the question being asked.	<table border="0"> <tr> <td></td> <td></td> <td>Adequate, but (for e.g.) fixates on details</td> <td></td> <td>Outstanding presentation of state-of the art and study aims in a nutshell</td> </tr> <tr> <td>Chaotic; overly wordy.</td> <td colspan="3"> </td> <td></td> </tr> <tr> <td colspan="5">(Place a mark on the scale above)</td> </tr> </table>			Adequate, but (for e.g.) fixates on details		Outstanding presentation of state-of the art and study aims in a nutshell	Chaotic; overly wordy.					(Place a mark on the scale above)				
		Adequate, but (for e.g.) fixates on details		Outstanding presentation of state-of the art and study aims in a nutshell												
Chaotic; overly wordy.																
(Place a mark on the scale above)																
5) The purpose/aim of the poster was clearly stated and easily located.	<table border="0"> <tr> <td>Merely implied / nonexistant</td> <td></td> <td>Present, with vague elements</td> <td></td> <td>Clearly evident aim/question</td> </tr> <tr> <td colspan="5"> </td> </tr> <tr> <td colspan="5">(Place a mark on the scale above)</td> </tr> </table>	Merely implied / nonexistant		Present, with vague elements		Clearly evident aim/question						(Place a mark on the scale above)				
Merely implied / nonexistant		Present, with vague elements		Clearly evident aim/question												
(Place a mark on the scale above)																
6) The study design aimed to provide the highest level of evidence to address the question being asked.	<table border="0"> <tr> <td>Convenience design</td> <td></td> <td>Biases partially addressed</td> <td></td> <td>Highest evidence base possible, considering purpose of the study</td> </tr> <tr> <td colspan="5"> </td> </tr> <tr> <td colspan="5">(Place a mark on the scale above)</td> </tr> </table>	Convenience design		Biases partially addressed		Highest evidence base possible, considering purpose of the study						(Place a mark on the scale above)				
Convenience design		Biases partially addressed		Highest evidence base possible, considering purpose of the study												
(Place a mark on the scale above)																
7) The study methods are clearly identified, highly appropriate for the discipline, and accurately stated.	<table border="0"> <tr> <td>Methods not identifiable</td> <td></td> <td>Methods indicated, but unclear</td> <td></td> <td>Methods clear, appropriate & accurate</td> </tr> <tr> <td colspan="5"> </td> </tr> <tr> <td colspan="5">(Place a mark on the scale above)</td> </tr> </table>	Methods not identifiable		Methods indicated, but unclear		Methods clear, appropriate & accurate						(Place a mark on the scale above)				
Methods not identifiable		Methods indicated, but unclear		Methods clear, appropriate & accurate												
(Place a mark on the scale above)
