Providing FREE outpatient counseling treatment, peer recovery support, & case management.

ROARS

WHO WE ARE

ROARS+ is a 12-month health program that provides FREE outpatient counseling for 90 days. We also provide a Case Manager who will provide you with resources to needed services.

WHAT IS A CASE MANAGER?

Your Case Manager will help link you to services you may be needed at this time. For example, they can assist you in finding employment and vocational training, housing/shelter, and health insurance etc.

WHO CAN JOIN?

- ☑ Must be 18 years of age or older.
- ☑ Live in Bexar County.
- ☑ Have spent time in jail in the past 18 months.
- ☑ Have a history of substance use that does not outdate the last 18 months or the last 18 months prior going to jail. (if in jail for longer than 18 months).

FREQUENTLY ASKED Q'S

Q: How much does it cost to participate in ROARS+'s 12 month program? ***A: $0. There is no cost to our clients to participate.***

Q: How much does the 90 day counseling treatment cost?

A: $0. We take care of the payments.

ENROLLMENT PROCESS

- The survey/enrollment will take about 60 mins and is conducted via phone call.
- The survey consists of five forms.
- You will be asked to complete the surveys you completed at your enrollment again at 6 and 12 months.
- If you are not already in counseling, you will be encouraged to attend counseling.
- ROARS+ is able to refer you to the following counseling agencies: Crosspoint Inc. and Rosetta's Key.
- Counseling treatment cost coverage will be provided through ROARS+ for 90 days.
- If you are already attending counseling elsewhere, you can still enroll in ROARS+ and only receive case management.
- You and your Case Manager will communicate via phone call at your convenience.
